PETITIONING THE COURT

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on 06/04/2021, 07/27/2021, 09/10/2021, 11/02/2021 and 01/06/2022.

On July 19, 2019, the offender's conditions were reviewed with Mr. Estrada. The offender signed said conditions, acknowledging an understanding of his requirements. Specifically, Mr. Estrada was made aware by the U.S. Probation Officer that he must abstain from the use of illegal controlled substances.

The probation officer believes that the offender has violated the following condition of supervision:

Violation Number Nature of Noncompliance

10

Special Condition #9: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Estrada is alleged to have violated special condition number 9 by consuming a controlled substance, methamphetamine, on or about April 20, 2022.

On April 20, 2022, Mr. Estrada reported to probation office in Spokane, before his revocation hearing and submitted a urinalysis (UA) sample that returned presumptive positive for methamphetamine. The UA was sent to Alere Toxicology Services for confirmation. Mr. Estrada denied consuming any controlled substances.
